Thank you for your responses,

So far it looks like the times that work for the most people are:

Tues 4/14 at 9:30am (minus Deborah)

Wed 4/15 at 1pm (minus China)

I'll give folks a little more time to respond before we finalize a time.

Thanks,

Paola

Hello All,

I hope this email finds you safe and healthy during these uncertain times.

I wanted to update your teams on the status of the Paxton/Bradley encampment, as well as make a request as we plan for housing the current residents.

A silver lining amidst this crisis is that the State funding provided for augmented homeless services in response to COVID-19 has enabled the County/City to place some of our most vulnerable homeless individuals into interim motel/hotel units--this includes the residents of the Paxton/Bradley

encampment.

The County is making good progress in leasing up rooms in the Valley, and we are hopeful that those for Paxton/Bradey residents will come online soon. In an effort to prevent new move-ins to the area once the current residents are housed, we would like to begin discussing a move out plan together.

Our availability is as follows this coming week, please let me know your preferred windows:

Tuesday 4/14 between 9:30am-2pm, or after 3:30pm

Wednesday 4/15 after 12pm

Stay safe,

Paola
